Title: A Journal

Author: Erik.

TUESDAY,

Sara is trying to be strong but I see the redness of her eyes. She has been crying over the loss of Brian. It is unfortunate he had to be sacrificed for the cause but he did us and the FOA proud. Richard could have used his help disposing of that nosy Aileen and her wretched rodent friend but I know he will handle them just fine.

THURSDAY

I took the documents Captain Avery had in his possession and buried them in the graveyard. They are too incriminating to be allowed to just randomly float around. In the wrong hands, they could hurt our cause.

FRIDAY

We act tonight...
